O R D E R:

Petitioners state that they are the owners and possessors of land admeasuring Acs.2.20 cents in Sy.No.151/1A of Vepagunta Village, Visakhapatnam. It is stated that they sold away various extents of land and retained an extent of 2500 square yards, and that they intend to sell the said land to the intending purchasers and in that process, approached the first respondent for registration. The grievance of the petitioners is that the first respondent is not accepting the document for registration, on the ground that the Government issued a notification under Section 22-A of the Registration Act, 1908 (for short 'the Act'), in respect of the land in the said survey number. This writ petition is filed seeking appropriate directions to the respondents in this regard.

Heard the learned counsel for the petitioners and the learned Government Pleader for Revenue.

Section 22-A of the Act empowered the Government to issue notifications almost preventing the registration of documents in respect of the lands to be mentioned therein. Such a power was held to be *ultra vires* and the provision was struck down by the Hon'ble Supreme Court in ***State of Rajasthan v. Basanth Nahata***[1].

Once the sole basis for the first respondent to refuse

registration had disappeared, he is under obligation to receive the documents and consider the same in accordance with the provisions of the Stamp Act and the Registration Act.

Hence, the writ petition is disposed of, directing the first respondent to receive and process the document presented by the petitioners and take necessary steps in accordance with the provisions of the Stamp Act and the Registration Act, within one week from the date of receipt of a copy of this order. There shall be no order as to costs.
